Copenhagen Business School Exchange Program

Copenhagen Business School (CBS) was established in 1917. Today, with 20,000 students including 1,200 exchange students, CBS is one of eight Danish universities and one of the largest business schools in Europe.

Since 2000, CBS has been accredited by EQUIS, and since 2007 also by AMBA. On August 1, 2011, CBS became the first school in Scandinavia to receive an accreditation by AACSB. CBS has thus acquired “The Triple Crown,” an acknowledgement only shared by around 50 business schools worldwide. These schools are reputed as the absolute top business schools and include schools such as INSEAD, London Business School, IMD, and Rotterdam School of Management.

FACILITIES/HOUSING

The CBS campus is an urban campus located in Frederiksberg, an integrated part of Copenhagen. The school buildings are modern with state-of-the-art facilities. The campus is connected to the airport and downtown Copenhagen with four on-campus Metro stops.

There is a limited amount of housing for incoming exchange students. The CBS Housing Department has access to a number of privately owned dorms. A housing application is made via a link sent by e-mail to all registered exchange students. Precise dates will be announced online at cbs.dk/housing. In the fall semester only, the CBS Housing Department facilitates a private housing option as supplement to dorm accommodation.
