HEC Paris was ranked 7th in the global MBA ranking by the *Financial Times* in 2022. Its MBA program was also ranked 4th by QS Global MBA Rankings in 2022. With its strong emphasis on the global business environment, HEC Paris partners with over 50 renowned institutions from around the globe to form a dynamic MBA student exchange program.

FACILITIES/HOUSING

The school's campus is located in the scenic Chevreuse Valley, which is 5 km away from Versailles. With 130 hectares (321 acres) of woodland, the HEC campus offers a spacious environment with many advantages for students who enjoy the outdoors and picnicking. Furthermore, the campus is just 10 miles southwest of Paris, and students can access the city via the suburban railway system. Using this mode of transport, the average trip to the center of Paris takes one hour, making the commute to the city convenient.

HEC Paris does not provide on-campus housing for exchange students due to the high demand for a limited number of rooms on campus. We will provide the incoming students with resources for securing housing. It is important that the exchange students look for housing as soon as they are nominated, as it can be difficult to secure lodging in the Paris area. Note that rent varies depending on location (Paris downtown, Versailles, Jouy-en-Joses, Massy-Palaiseau etc.) and housing type. Information about off-campus housing options and costs is available on request.
