RISK 580: Advanced Enterprise Risk Management

3 Units, No Prerequisites

Mon 6:30pm-9:30pm

WHY RISK 580?

1. Practical Application of ERM Principles

Real-world case studies, dynamic group projects, and hands-on problem-solving across various industries.

2. Insights from Industry Leaders

Learn directly from guest speakers representing top companies. Past speakers have been from companies such as General Motors, United Airlines, Lyft, and Banc of California. Learn from your professor's experience as an accounting, audit, and ERM executive at YUM Brands, Starbucks, Delta Air Lines, and United Nations World Food Programme.

3. Leadership Skills Development

This course equips you with tools to transform risks into strategic opportunities and develops your abilities to think, talk, and act like business leaders.

4. Networking opportunities

Collaborate on group projects with like-minded professionals, connect with industry experts, and join discussions with C-suite leaders and board members who bring real world challenges into the classroom.

5. Versatile Skills for Any Industry

The skills and frameworks you develop in this course can be applied to any field or career.

INTERNSHIP AND FULL-TIME OPPORTUNITIES

RISK 580 students gain exclusive access to a list of internship and full-time opportunities in the risk management industry. Over 40 positions listed for graduate students.

FALL 2026 MEET THE RISK MANAGEMENT PROFESSIONALS EVENT

RISK 580 students gain exclusive access to this career fair featuring over 30 top employers
